

Product Profile

Name:	Early Sile Advance – Silage Enhancer
Description:	A range of crop specific bacterial and enzyme-based inoculant treatments for all silage crop types and high moisture grains to achieve enhanced levels of fiber digestibility. Early Sile Advance – Grass Early Sile Advance – Legumes Early Sile Advance – Corn & Cereals
Function:	Treatment of forage results in a rapid lactic acidification of the crop, reducing the pH to stabilize the silage with maximum nutrient retention for optimum feed value. Novel and crop specific enzyme combinations can result in significantly higher fiber digestibility in the silage. Reduced yeast and mold activity improves aerobic stability.
Application:	Product is available only as water soluble formulations. Water soluble products should be dissolved in warm (NOT HOT) water and delivered via properly calibrated application equipment at 1qt per ton. Can be applied via low volume applicators at equipment manufacturer's rates.
Ingredients:	Dried <i>Pediococcus acidilactici</i> , <i>Pediococcus pentosaceus</i> , <i>Lactobacillus plantarum</i> and <i>Lactobacillus brevis</i> fermentation products; Cellulase (EC 3.2.1.4) extract of <i>Apergillus niger</i> , Xylanase (EC 3.2.1.8) extract of <i>Trichoderma longibrachiatum</i> , Mannanase (EC 3.2.1.78) extract of <i>Aspergillus niger</i> ; dextrose, manganese sulfate and calcium silicate.
Storage:	Store in a cool dry place in original packaging. To maximize shelf life store product in a refrigerator. Do not freeze. Avoid exposure to high temperatures.
Shelf Life:	12 months from date of manufacture.
Packaging:	Available in units of: 150g to treat 50T of forage 600g to treat 200T of forage 1500g to treat 500T of forage
Typical Analysis:	
Microbial:	Delivers a minimum of 150,000 cfu of lactic acid bacteria per gram of forage.
Nutritional:	Moisture content: 7.7
(% D.M.)	Ash: 6.36
Physical Characteristics:	
Color:	Creamy white
Odor:	Faint sweet smell
Texture:	Fine powder
Manufactured By:	Micron Bio-Systems Inc., 2329 Old Buena Vista Road, Buena Vista, VA 24416 ISO 9001:2008 Registered Company No. FM 514328 AFIA Safe Food/Safe Feed Certified Facility No. 50065-001
