

## Product Profile

<b>Name:</b>	<b>Equus Ultimate</b> – Equine Nutritional Supplement
<b>Description:</b>	An Equine nutritional supplement designed for use in performance and working horses. The formulation targets the digestive and immune systems of the horse and supplies toxin and pathogen suppressing systems.
<b>Function:</b>	<p>Probiotic microorganisms colonize the digestive tract and compete with pathogenic organisms by physical and biochemical means to create an unfavourable environment for their establishment.</p> <p>Prebiotic compounds provide nutritional support to the beneficial microflora in the gut and enhance the animal's natural immune response.</p> <p>Specific mineral and enzyme cocktails degrade and bind up mycotoxins.</p> <p>Immunoglucans stimulate the immune system to increase antibody level and macrophage activity.</p> <p>Flax seed provides the recommended levels of omega 3 fatty acids to achieve increased stride length and coat condition.</p>
<b>Application:</b>	For routine feeding include one dose of 100g per animal per day mixed in with grain or other feed. For pregnant, nursing, senior, stressed, sick and recovering animals feed two doses of 100g per animal per day, preferably in two separate feedings.
<b>Ingredients:</b>	Saccharomyces cerevisiae, Bacillus licheniformis and Bacillus subtilis fermentation products; Aspergillus niger, Trichoderma longibrachiatum and Candida cylindracea fermentation extracts; yeast extract, inulin, beta-glucan, flax seed oils, sodium bentonite, dextrose, calcium silicate.
<b>Storage:</b>	This product contains live microorganisms. It is recommended that this product is stored in a cool dry place in original packaging.
<b>Shelf Life:</b>	Use within one year from date of purchase
<b>Packaging:</b>	Available in units of:            3.0 kg bucket containing 30 individual doses.
<b>Typical Analysis:</b>	
<b>Microbial:</b>	Saccharomyces cerevisiae @ $1 \times 10^8$ cfu/g Bacillus licheniformis and Bacillus subtilis @ $2 \times 10^7$ cfu/g
<b>Nutritional:</b>	Moisture:                            7.0
<b>(% D.M.)</b>	Ash:                                    4.0
<b>Physical Characteristics:</b>	
<b>Color:</b>	Brown
<b>Odor:</b>	Yeasty
<b>Texture:</b>	Granular powder
<b>Bulk Densities:</b>	0.53 – 0.67 g/cc
<b>Manufactured By:</b>	Micron Bio-Systems Inc, 2329 Old Buena Vista Road, Buena Vista, VA 24416 ISO 9001:2008 Registered Company No. FM 514328 AFIA Safe Food/Safe Feed Certified Facility No. 50065-001
